**TERMS AND CONDITIONS OF SALE**

**Terms of Sale**

Purchase of any products sold by SKYFOOD shall be subject to and expressly limited by the terms and conditions contained herein. No changes to, waiver of, or addition to any of these terms and conditions shall be effective unless agreed to in writing and signed by SKYFOOD. Buyer acknowledges and agrees that these terms and conditions supersede the terms and conditions of any purchase order or other documentation used by Buyer and, except for delivery and billing addresses, and quantities prices and items ordered, any conflicting or additional terms are void and have no effect, but that Buyer may place orders by use of purchase orders and other documentation for its convenience purposes only. Notwithstanding the foregoing, SKYFOOD reserves the right at any time to amend these terms and conditions, and Buyer shall be deemed to accept such amended terms and conditions by ordering products herein offered after the date of such amendment. Additional special terms and conditions of SKYFOOD may be applicable with respect to certain products.

**Orders Acceptance**

All orders from Buyers, whether solicited and written by either a SKYFOOD EQUIPMENT, LLC ("SKYFOOD") Sales Representative, distributor or dealer, are deemed offerings to purchase until accepted by SKYFOOD. SKYFOOD reserves the right to accept orders in full or in part. Acceptance may be either by written confirmation or shipment of the order, in full or in part.

**Shipping**

TERMS – All prices are FCA (Free Carrier) shipping point. Unless express instructions in writing are received from the Buyer, SKYFOOD has complete freedom in choosing the means, route and procedure to be followed in the handling, transportation and delivery of the goods. SKYFOOD will advance the shipping costs on behalf of the Buyer and charge it accordingly. SKYFOOD shall under no circumstances be liable for any loss, damage, expense or delay of goods for any reason whatsoever when said goods are in the custody, possession or control of third parties selected by SKYFOOD to forward, enter, clear, transport, or render other services with respect to such goods. Please, inspect your unit upon arrival at the destination and report any transit damage to SKYFOOD and to the shipping company, in order to initiate a claim with the latter. Claims must be reported to the transportation company within fifteen (15) days as of the date of the invoice.

**Free Shipping**

Orders of \$4,000.00 or more, with a minimum of 2 pieces (mixed or match), shipped to the same address in the continental United States will have free shipping.

**Tax Information**

Any tax, duty, custom or other fee of any nature imposed upon the products, their sale, transportation, delivery, use or consumption shall be paid by Buyer in addition to the price quoted or invoiced. If SKYFOOD is required to prepay any such tax or fee, Buyer will reimburse SKYFOOD. Buyer must provide SKYFOOD with a resale/exemption certificate in order to avoid the withholding of applicable taxes.

**Interest**

Past due balances are subject to a interest charge of 1.5% per month or the highest rate permitted by law, whichever is lower, until paid.

**Return Policy**

All returns are subject to the prior authorization of SKYFOOD, in its discretion. Buyer must contact Buyer Support at (305) 868-1603, or by fax at (305) 866-2704, or via e-mail at [commercial@skyfood.us](mailto:commercial@skyfood.us) in order to request a Return Authorization number ("RA") providing, along with the identification of the goods, a specific reason for return. Buyer Support will either authorize or deny the request for return. Only NEW and UNUSED items are acceptable for return. Unauthorized returns will be destroyed and no credit issued. All authorized returned goods must be shipped freight prepaid to SKYFOOD.

All returned goods are subject to a 20% handling/restocking fee. All returns must be returned in their original packaging and within thirty (30) days from the shipping date.

**SKYFOOD reserves the right to change the design and specifications of its equipment or any related documentation at any time. The end user is not entitled to upgrades nor refunds resulting from these changes.**

**SKYFOOD'S LIMITED WARRANTY**

All new products **FLEETWOOD BY SKYMSSEN**, sold by SKYFOOD EQUIPMENT, LLC. ("SKYFOOD"), for use only in the continental United States (collectively, "Products" or singularly, "Product"), are warranted to be free from defects in materials and workmanship for a period of one (1) year from the date of purchase by the original purchaser/user ("End User"). No warranty is given or implied to a subsequent transferee or any other third party. This warranty is expressly conditional upon SKYFOOD being notified of any defects in materials or workmanship within five (5) days of its occurrence, within the warranted time period. If a notice of a claim under this warranty is timely made by the End User, SKYFOOD or a designated service company ("Service Company"), will repair the Product or replace the part which is defective, subject to the additional conditions hereinafter described.

This warranty shall not apply if damage occurs from improper installation, wrong voltage, nor to the extent that Products or parts have been used other than in conformance with operating and maintenance instructions, subjected to misuse or abuse or damaged by accident, acts of God, abnormal use or stress or any other matter unrelated to SKYFOOD, and beyond its reasonable control. In addition, this warranty does not cover normal wear and tear of certain items, such as, but not limited to, blades, stones, chopper cutting knives, plates, slicing knives, cutting disc, gaskets, oil changes, sealing tape, heat seal wires, worm gears, and other parts expendable by nature and that need to be replaced frequently. **THIS WARRANTY EXCLUDES ALL ORAL, STATUTORY, EXPRESS OR IMPLIED WARRANTIES WHICH MAY BE APPLICABLE TO SKYFOOD, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE.** Under no circumstances shall SKYFOOD be liable for loss of use, revenue or profit or for incidental or consequential damages. **The sole and exclusive remedy for breach of any warranty is limited to the remedies provided in the paragraph above.**

Products weighing less than seventy (70) lbs. must be taken or shipped, shipping charges prepaid, either to SKYFOOD's facility or a SKYFOOD's designated service company ("Service Company"). SKYFOOD offers a limited on-site warranty only for Products whose weight exceeds seventy (70) lbs., provided they are installed in a location that is within a thirty (30) mile radius of a Service Company. In this case, warranty services will be provided during regular business hours.

This warranty shall not take effect unless and until a properly completed and executed **WARRANTY REGISTRATION** form has been received by SKYFOOD EQUIPMENT, LLC, within thirty (30) days from the date of purchase. The **WARRANTY REGISTRATION** is available either in the Instruction Manual of every Product or at SKYFOOD's website [www.skyfood.us](http://www.skyfood.us). The End User must fulfill the **WARRANTY REGISTRATION** form and send it to SKYFOOD according to the instructions posted on the referred website. **Failure to do so will void the warranty.**
